

## Tallahassee Community College Athletic Department Financial Literacy Workshop

**2.22.2018**

On Thursday, February 22, 2018, First Florida Credit Union presented our youth financial literacy program to the Tallahassee Community College baseball team in the Workforce Development Ballroom on TCC's campus across the street from the Appleyard branch.

The scheduling of this workshop was a result of our sponsorship with the Athletic Department. We have previously hosted an event with the men's and women's basketball teams and look forward to presenting to the softball and cross country teams in the coming weeks.

This workshop was a great opportunity to talk to TCC student athletes not only about budgeting and being financially prepared for the future, but also about First Florida and the products and services we offer with a spotlight on the convenience of the Appleyard branch.

The group was energetic and really enjoyed the workshop. Players were truly surprised with how expensive everyday life is, and many talked about realizing how important it is to have a plan for their future when it comes to budgeting and money management.
